

IGPC Commemorates World Stamp Show-NY

The Inter-Governmental Philatelic Corp. will be on hand at the World Stamp Show-NY 2016 U.S. International, representing its many client nations from around the world.

IGPC has participated in many Internationals and other major shows held around the world, and has issued stamps and souvenir sheets in conjunction with those shows, as well as for historic anniversaries.

Based in the Diamond District in mid-town Manhattan, and now

located just across the Hudson River, in New Jersey, the landmarks of New York City are familiar sites to the staff of IGPC. So it was a natural for IGPC to orchestrate a mini-Omnibus picturing Iconic Sites and Scenes of New York.

Shown here are two examples from the IGPC World Stamp Show-NY Omnibus. For details on these and other Sites of the world issues go to the IGPC website, www.igpc.com

Grenada Iconic Sites sheetlet of four, left to right: Bethesda Fountain, Central Park; Statue of Liberty; Grand Central Terminal; Williamsburg Bridge connecting Brooklyn and Manhattan, issued May 16, 2016

Grenada Grenadines. Empire State Building, issued May 30, 2016 during World Stamp Show-NY 2016
